## **CHART MAKING COMPETITION**

**13<sup>th</sup> JANUARY 2025**

The Chart Making Competition was organized by the Musculoskeletal Physiotherapy Department on 13<sup>th</sup> January 2025 to encourage creativity, research skills, and visual learning among students. The event saw enthusiastic participation from students of III BPT<sup>h</sup> and IV BPT<sup>h</sup> across various grades, each showcasing their artistic talents and knowledge presentation abilities.

The theme of the competition was Musculoskeletal condition and participants were given the freedom to choose their own sub-topics under the main theme. Each chart was judged based on creativity, clarity of information, neatness, and overall presentation.

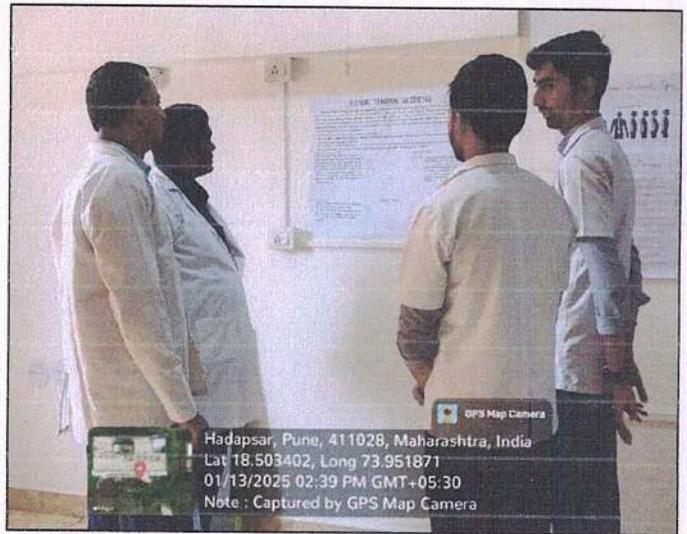

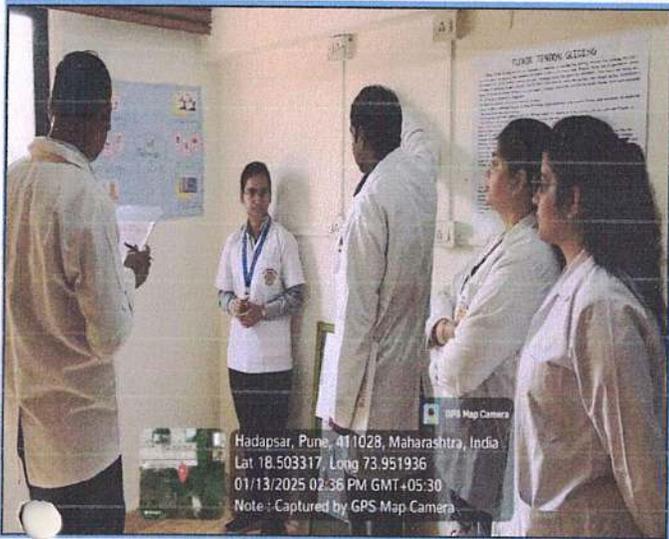

The judges, Dr. Albin Jerome and Dr. Venkatesan R, were impressed by the students' efforts, and selecting the winners was no easy task. The judges announced the best chart by Ms. Prajakta Labde on Hand Deformities. The competition concluded with tokens of appreciation.

Overall, the event was a great success, providing students with a platform to express their ideas through art and information, while also promoting teamwork and knowledge-sharing.
