GUEST LECTURE- RECENT TRENDS AND FUTURE SCOPE IN PHYSIOTHERAPY

The Department of Community Physiotherapy of St. Andrew's College of Physiotherapy, Pune organized a guest lecture on the topic- Recent trends and future scope in Physiotherapy on 21st March 2025. The session was delivered by Dr Mudassir Shaikh, an esteemed expert in the field with vast clinical experience. The lecture was attended by 3rd and 4th year BPT^h students in auditorium at 2 PM.

The lecture commenced with a warm welcome by Dr. Venkatesan R, followed by a brief introduction of the speaker by Dr. Afreen Shaikh. The session aimed to enlighten students and faculty members about evolving landscape of Physiotherapy, especially in the context of technological advancements and changing health care needs. Dr Mudassir began by introducing the concept of Human measurement technologies and its relevance in today's practice. The speaker highlighted the growing importance of technology system in monitoring health metrics, improving patient outcomes, and enhancing the overall quality of care. He discussed about TeleHab, VALD's technology system like Forced-Decks, force-frame, Nordboard, dynamo and Airbands. The session concluded with a Q&A session, where students actively participated and cleared their doubts regarding career prospects, research opportunities, and skill development in Physiotherapy.

The guest lecture provided a comprehensive overview of where the physiotherapy profession is headed. It motivated students to stay updated, upskill themselves, and adapt to the changing trends in field. The session was both informative and inspiring, leaving the audience with a renewed sense of enthusiasm about the future of Physiotherapy. The session concluded with a vote of thanks by Dr. Nikita Waghmare at 3PM
