INTERNATIONAL DAY OF PERSON WITH DISABILITIES

10th DECEMBER 2025

On the occasion of International Day of Persons with Disabilities Week, on 10th December 2025, ZHEP remedial learning center, Pune Cantonment Board, organized a community rally and a special programme aimed at spreading awareness, fostering inclusion, and celebrating the abilities of children with special needs.

The event began with an awareness rally in which students, teachers, and volunteers actively participated. Carrying placards with messages promoting equality, accessibility, and respect for persons with disabilities, the participants marched through the nearby community areas. Teachers guided the students in chanting slogans that emphasized the importance of inclusive education, early intervention, and community support.

After the rally, a cultural and educational programme was held in the school premises. The programme commenced with a welcome speech by the Principal of the Remedial School, who highlighted the significance of the week and emphasized on school's commitment in providing support and opportunities to students with diverse learning needs. This was followed by a song singing performance by the students, illustrating the theme of acceptance and empowerment. Resource persons, including special educators and therapists, delivered informative talks on disability awareness, early identification, and the role of family and community in supporting children with special needs.

The event concluded with a vote of thanks by the Principal at 12:30 PM. Overall, the rally and programme were highly successful in promoting awareness, strengthening community involvement, and celebrating the abilities of students with disabilities.
