SWACHH BHARAT ABHIYAN

"Clean today for a healthy tomorrow"

A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150th birth anniversary in 2019, "said Shri Narendra Modi as he launched the Swachh Bharat Mission on Rajpath in New Delhi. This year's "Swachhata, Hi Seva 2025- themed around The spirit of Swachhotsav" blend the joy of celebration with the seriousness of responsibility. It encourages community involvement to maintain clean and green surroundings, emphasizing collective responsibility towards environment.

To join this mission, St. Andrews College of Physiotherapy organized "Swachh Bharat Abhiyan" on 01st October 2025. The students of first year BPT guided by the teaching as well as the non-teaching staff of the St. Andrews College worked together to clean the college premises, roads and nearby areas. All worked in full energy and excitement to clean the premises. The Students were provided gloves, masks, brooms, garbage bags and dustbins. The roads and yards inside the college campus were cleaned. The collected waste was separated into biodegradable and non-biodegradable wastes (plastics).

To conclude Swachh Bharat abhiyan has the potential to transform India into a cleaner, healthier, and more sustainable country. It is the responsibility of all the citizens to keep their surrounding clean.
