## **TOT Workshop for Implementation of Competency Based Physiotherapy Education Curriculum**

The Training of Trainers (ToT) program was successfully conducted for **Implementation of Competency Based Physiotherapy Education Curriculum** on 13<sup>th</sup> and 14<sup>th</sup> June at St. Andrews College of Physiotherapy, as per the schedule provided by the MUHS. The workshop was organized by Dr. Vijaya Bagade under the valuable guidance of Principal Dr. Albin Jerome.

The program commenced on 13<sup>th</sup> June 2025 at 9 AM with registration, followed by an ice-breaking session and participant/faculty introductions, which helped foster a collaborative learning environment.

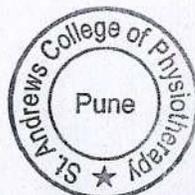

The following sessions were conducted by esteemed resource persons:

Dr. Prajakta Patil, Professor, SKN College of Physiotherapy, Pune delivered an insightful session on Competency-Based Physiotherapy Education (CBPE). She covered key topics such as the introduction to CBPE, competency linking, teaching-learning methods, and a group activity to reinforce the concepts. Dr. Shweta Pachpute, Professor, LMF College of Physiotherapy, Nigidi conducted sessions on the COMPEL module, skill training, integration, blueprinting, and facilitated a related group activity.

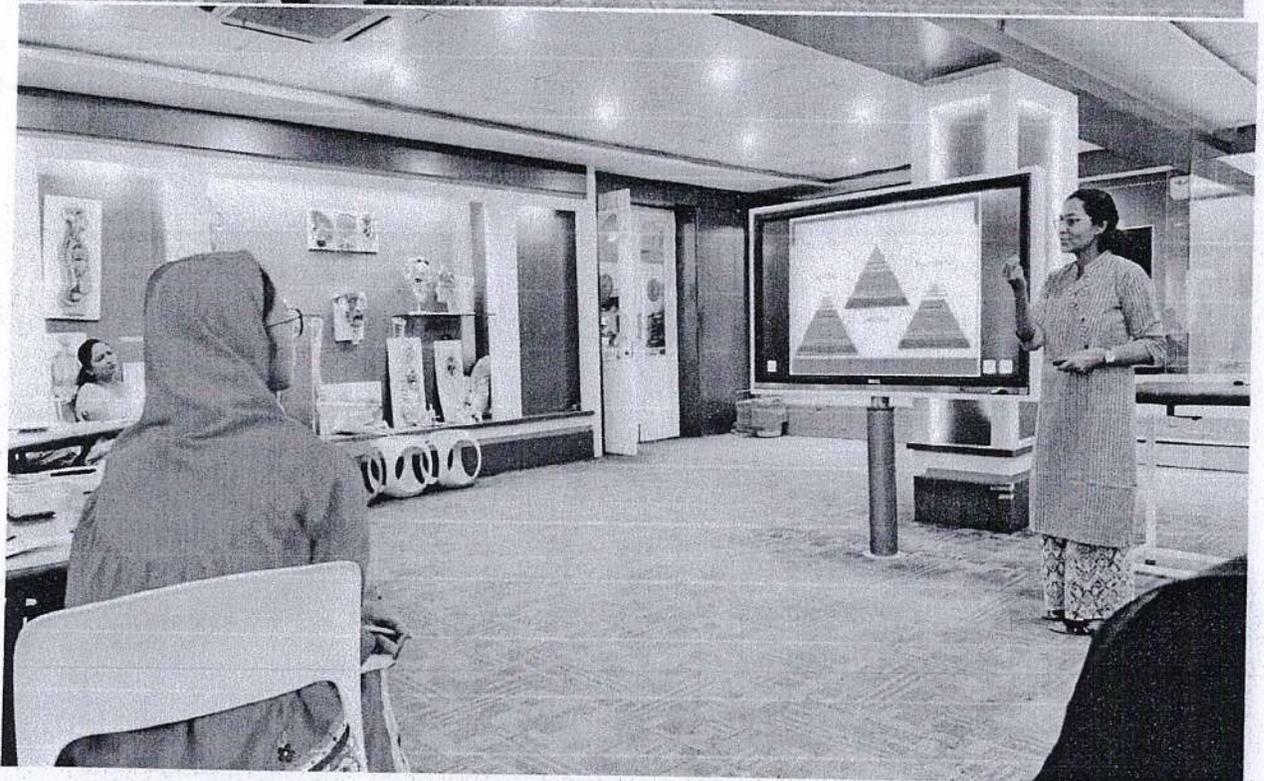

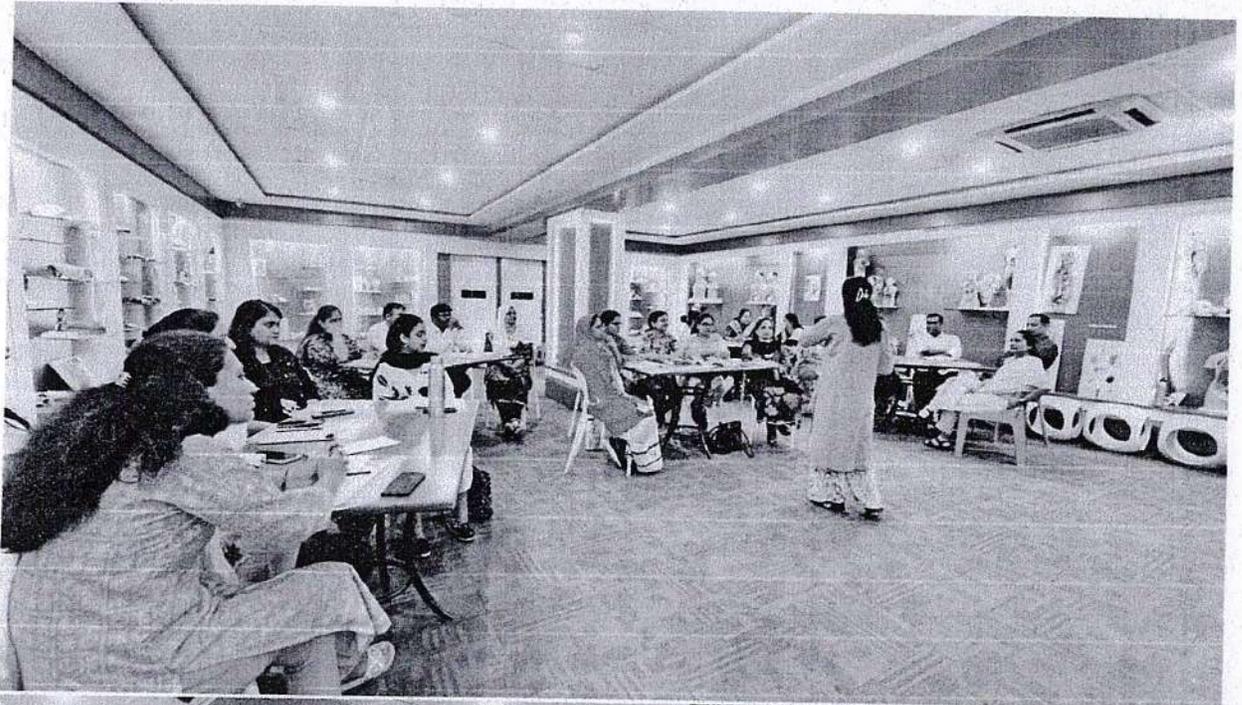

Our In house staff Dr. Venkatesan, Professor, presented on clinical teaching, early clinical exposure (ECE), and the internship program. He emphasized the concept of electives as a valuable component of the curriculum. Dr. Suroshree Mitra, Professor, Sancheti COPT, Shivaji Nagar, Pune shared her expertise on assessment in CBME and conducted an engaging group activity to demonstrate its application.

Dr. Sushil Arora, Professor, CMF College of Physiotherapy, Nigidi concluded the academic sessions by covering the competency matrix tables, timetabling, and the road ahead for implementing CBME effectively.

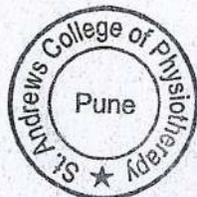

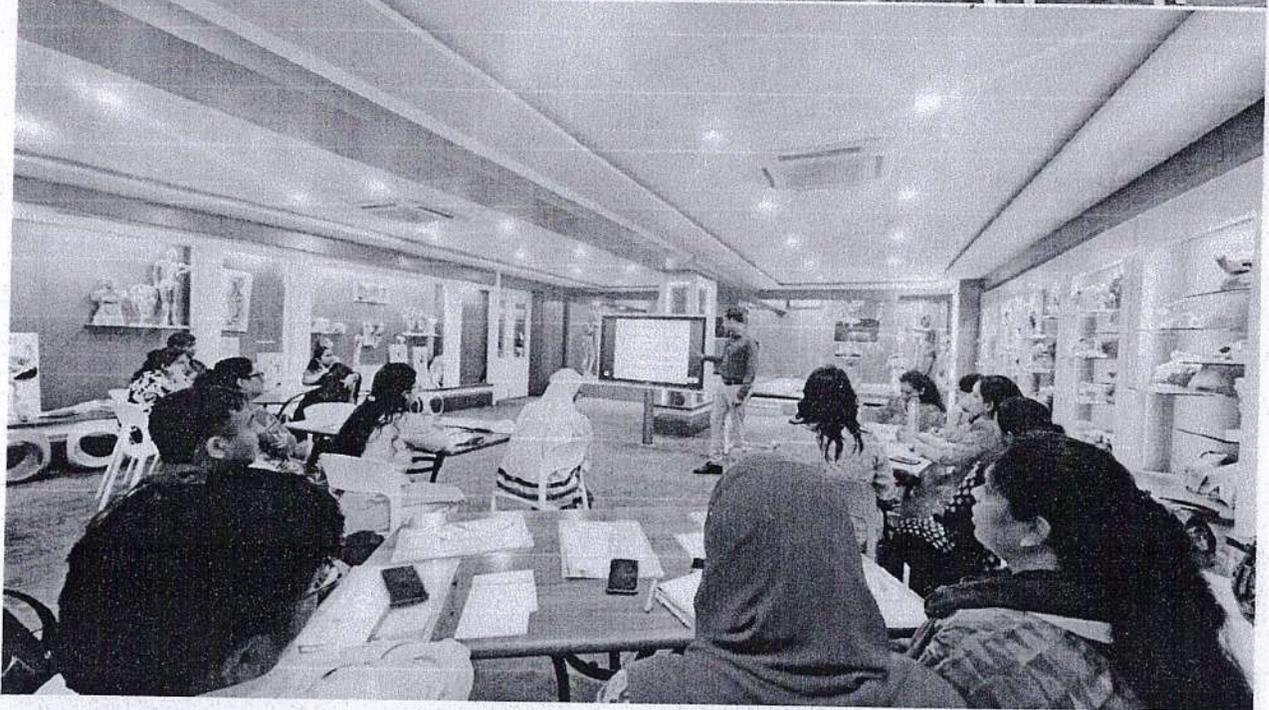

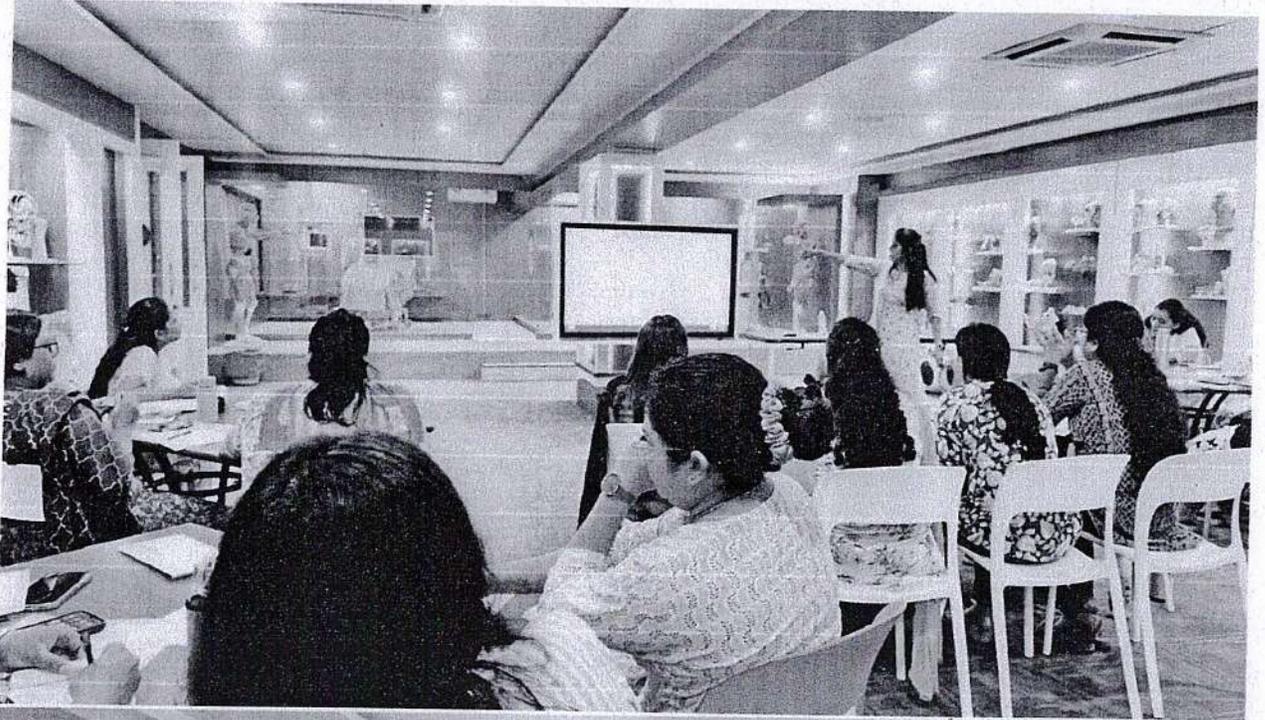

All the sessions were well-organized, informative, and delivered with clarity. Participants highly appreciated the relevance and quality of the training content. At the end of the workshop, feedback was collected from all participants to assess the effectiveness and impact of the program. The event concluded on 14<sup>th</sup> June 2025 with a valedictory program, followed by a vote of thanks, marking the successful completion of the workshop.
